and save...

Did you know that Prince Edward Island, Canada's smallest province, is linked to its mother country via a 12.9km bridge. Crossing over from New Brunswick to the Island you might be pleasantly surprised to find no fare being charged but, what might at first appear free, isn't. For many folks the real surprise comes when they head home...a return fare of \$41.50 per small passenger vehicle awaits you as you pull up to the kiosks at Borden, PEI.

Dreams To Sea Cottages is happy to help you save as you get on the road to your Island vacation destination by paying your bridge fare for you!!

Bridge Fare Savings.....\$41.50

National Park Pass Savings.....\$73.00 (pass necessary for beaches in the Cavendish area...can also be used at Brackley and Greenwich National Parks...Yours to use during your stay at DTSC)

Combined total savings.....**\$103.50**
